:

This decision is in response to the petition under 37 CFR 1.47(a), filed March 28, 2005.

The petition is granted.

Petitioners have shown that the non-signing inventor, Miguel Angel Pagan, cannot be located. Specifically, the declaration/statement of facts of Attorney Joy S. Goudie establishes that despite attempts to locate the inventor through the mail, through inquiries of his former employers and co-inventor, and through other information database searches, that Mr. Pagan cannot be located. Petitioners have diligently searched for Mr. Pagan. Petitioners have submitted a declaration in compliance with 37 CFR 1.63 and 1.64.

This application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status. A late declaration surcharge of \$130.00 37 CFR 1.16(e) will be charged to deposit account no. 01-1425, because the original declaration was not acceptable until Rule 47 status was granted and that petition was filed well after the filing date of this application.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

After this decision is mailed, the above-identified application will be forwarded to Publications Division.
